20	II. Implementing the Strategic Plan
21	III. Strategic Plan Operating Assumptions
23	PART 3
	STRATEGIC GOALS, OBJECTIVES,
	AND MEASURES
23	GOAL 1
	Build and preserve a comprehensive collection of knowledge and creativity in all formats and languages for use by the Congress and other customers
24	GOAL 2
	Provide maximum access and facilitate effective use of the collections by the Congress and other customers
25	GOAL 3
	Lead, promote, and support the growth and influence of the national and international library and information communities
26	GOAL 4
	Expand, manage, and communicate Library of Congress digital strategies and roles

28 GOAL 5

Manage and sustain digital content

30 GOAL 6

Provide high-quality and timely legal research, analysis, and legal reference services to the Congress, the executive branch agencies, courts, the legal community, and other customers

31 GOAL 7

Acquire, secure, maintain, preserve, and make accessible a comprehensive legal collection, in both analog and digital formats, for use by the Congress, executive branch agencies, courts, the legal community, and other customers

33 GOAL 8

Expand and enhance the Global Legal Information Network (GLIN)

34 GOAL 9

Carry out the statutory mission of the Copyright Office to administer copyright and related laws embodied in Title 17 to provide benefit to the nation

35 GOAL 10

Formulate and provide expert advice to the Congress, executive branch agencies, courts, and international entities in the furtherance of maintaining a strong and effective national and international copyright system

36 GOAL 11

Be an effective voice for the principles of copyright, which benefit the public, by providing information and informing the public debate on copyright issues

37 GOAL 12

Carry out the statutory mission of the Congressional Research Service to assist the Congress as it undertakes its legislative responsibilities by providing multi-disciplinary, nonpartisan, confidential, timely, and objective analysis of public policy problems and their possible solutions

39 GOAL 13

Ensure that a high-quality, responsive, and free national reading program is available to the nation's blind and physically handicapped people

40	GOAL 14	Enhance the management and utilization of the Library’s Revolving and Reimbursable funds
41	GOAL 15	Manage human capital so the Library is able to maintain an outstanding workforce with the skills, resources, and dedication to deliver a range of high-quality, cutting-edge services in all the Library’s program and support areas
44	GOAL 16	Create an environment that supports delivery of superior service to the Congress and the American people through effective communication and management of business and supporting processes, and financial resources, and that provides a safe and healthy workplace
46	GOAL 17	Manage and sustain mission-critical information technology programs
48	GOAL 18	Provide effective security for the Library’s staff and visitors, collections, facilities, and other assets
50	PART 4	
	MOVING FORWARD	
50	I. Process
